## **Lending of digital devices for learning at a distance**

Dear parents and guardians,

the city of Krefeld will be providing the Josefschule with a limited number of digital devices (iPads) in the coming weeks. These devices are to be made available to students who are not equipped at home due to a lack of suitable devices or the necessary financial resources.

By filling out the attached form, you can request the loan of an iPad. By doing so, you assure that it is not possible to purchase digital end devices from your own funds. In this case, the Josefschule will contact you to discuss how to proceed. Please return the form no later than 15.01.2021 by mail or by dropping it in the mailbox of the secretary's office.

If you are equipped with digital devices at home, you do not need to do anything else. In this case, the teachers assume that the students have the opportunity to learn digitally at home.

If you have any questions, please feel free to contact me ([johannes.winters@schulen.krefeld.de](mailto:johannes.winters@schulen.krefeld.de)).

Yours sincerely

On behalf of Johannes Winters
